## THE COMPANY

Hand tools industry was formed in India by **Mr. Amar Nath Shoor** in the year 1947 after Indo-Pak partition.

Late Mr. Amar Nath Shoor is also known as the **FATHER OF HANDTOOLS INDUSTRY** in India. He first started the exports of hand tools in the year 1954 from Iran, Kuwait, Egypt, Saudi and African markets where he generated a lot of business and brought foreign funds to India.

Mr. Amar Nath Shoor and his son Mr. Satinder Pal Shoor together had worked very hard & due to their efforts & dedication the Trade Name, '**SOLID**' is famous worldwide and has a good demand in the market. Today the third generation - Mr. Pankaj Shoor and Mr. Rahul Shoor are doing their best to take that legacy forward.

**Ess Pee Industrial Corporation** is a 100% export oriented unit, manufacturing & exporting high quality '**SOLID**' spanners & handtools across the globe.

Backed by decades of experience, guided by our founder and with the support of our team of professionals, today '**SOLID**' spanners are recognised worldwide for their quality.

Our team of experts work very hard to ensure that every detail required by the customer is adhered to and projects are completed & delivered on time, helping your business run smoothly.

We have made a significant achievement in manufacturing over the years, a constant attention to detail has played a key role in creating our unique tool range, coupled with an extreme focus on ensuring customer satisfaction.
